Personal Profile

A motivated and dedicated ICT graduate with hands-on experience in software development, database management, and technical problem-solving. Passionate about using technology to solve real-world problems and improve business processes. Adept at learning new tools quickly and working in team-oriented environments. Now seeking an opportunity to apply my skills in a dynamic ICT role to contribute to the success of a growing organization.

Key Skills

- Programming: Java, Python, HTML, CSS, JavaScript
- Database: SQL, Oracle PL/SQL
- Operating Systems: Windows, Linux
- Networking: LAN/WAN setup, IP addressing, troubleshooting
- Tools: Git, Visual Studio Code, Eclipse, Microsoft Office Suite
- Communication: Strong written and verbal communication
- Problem-solving: Analytical thinker, quick to diagnose and resolve technical issues

Education

National Diploma in Information and Communication Technology (ICT)

Tshwane University of Technology (TUT), Pretoria

Year of Completion: 2025

Relevant Modules:

- Software Development
